How expungement lets New York financial professionals clear the record — and recover damages.

Questions he can answer that we can't

?

I have an arrest from years ago that was sealed or dismissed. How does disclosing it affect my application?

?

I'm not a U.S. citizen. Can I apply for a license at all?

?

Am I allowed to drive with my firearm in the car — through New Jersey, or upstate?

?

My application was denied. What are my options, and how long do I have?

?

There's an order of protection in my history. What does that mean for me?

?

I hold a pistol license in another New York county. How does that interact with a City licence?

?

What happens to my licence if I'm arrested, or if my employer asks about it?

?

My licence was suspended. How do I get it back?
